Bartering in the olden days wasn't always an exact science: a goat and a palm tree might get you a slingshot and a small wife rather than the bamboo couch and stone pillow you were hoping for. If a direct path to the sofa is what you need, today's Groupon will have you sedated and entertained for hours at a time: for \$25, you get 10 DVD rentals at one of the 9 **Video Ezy** locations (worth \$50).
